### Robert the Robot

My name is Anna and I have a little brother called Harry. Harry loves toy robots. He has lots of them. His favourite robot is called Robert. My parents gave Harry the robot when he was a baby. Robert the Robot goes everywhere with Harry. He takes it to school, to the bathroom and to bed. And he always takes it with him when he goes on holiday.

Last Saturday was a lovely day. The sky was blue and the sun was bright and our family went to the beach. Dad drove the car and Harry and I sang songs. We had a great time at first. We went swimming and we played on the sand. Then we sat under a big umbrella and had our picnic. After the picnic we were all very tired, so we slept. When we woke up Harry said, "Oh no!" "What's wrong?" said Mum. "Where's Robert the Robot?" said Harry. "I can't find him. We've lost Robert the Robot!" We helped Harry look for the toy for a long time. We looked in our picnic box and in the car. But we couldn't see him anywhere. Harry was very sad. Then Dad saw something in the sand. It was two small grey feet. "Look!" he said. "I think that's Robert the Robot! We've found him." Harry was very happy.

### Examples

..... **Harry** ..... is Anna's brother.

Robert is Harry's favourite toy ..... **robot** .....
